

Required Registration

All vendors who currently (or in the future) sell products and/or services to the State of Rhode Island are **required** to self-register with Ocean State Procures™ (OSP). The OSP Vendor Registration Portal for registering your business is <https://ridop.ri.gov/ocean-state-procures-osp/osp-vendor-registration/vendor-registration>. The OSP Vendor Registration Portal provides your organization the ability to self-register and maintain your vendor account after establishing your username and password.

This is a two-phase process to establish your company to do business with the State of Rhode Island:

- *Soft Registration* – **Steps 1-6** will establish your initial vendor account and allow vendors to view and submit responses to solicitations. Your account will be in “**Pending**” status.
- *Full Registration* – **Steps 7-10** will be required to receive an awarded Purchase Order(s), Contract(s) and/or Payment(s). Your account will need to transition to an “**Approved**” status during this phase.

Regardless of account status, a vendor can self-manage their account’s information and users at any time.

Phase 1 - Getting Started and Ready to Bid

Soft Registration - It is recommended that you have the following information on hand to complete the required sections of the vendor registration process: **Organization’s Taxpayer ID Number (TIN)**, **Business Type** (Corporation, LLC, etc.) and **Email Address** (for main contact information).

□STEP 1: General Disclaimer The first step in the registration process is to access the registration portal to obtain a username and password.

- Access the OSP Vendor Registration Portal [HERE](#)
- The General Disclaimer for the State of Rhode Island is located at the bottom of the screen.
- To proceed with the registration, read the terms and check the ‘**Yes, I agree**’ check box.
- Click **Next** to advance each page.

□STEP 2: Organization Information Begin entering the information in the fields on the screen. A red asterisk (*) indicates that the field is required and must be completed to proceed to the next step in the registration process.

a. Enter the following information:

- Federal Employer Identification Number* - **OR** - Social Security Number*
- Legal Name of Entity / Individual* (as issued by the IRS and shown on your IRS W-9)
- DBA Business Name (If different from above)
- Country
- Address Line 1*
- Address Line 2
- City*

- Postal / Zip Code*

FEIN or SSN number as “already exists”?

Note - Do NOT create a new ‘Pending’ registration.

If WebProcure flags your FEIN/SSN as “already exists” as you register, contact WebProcure to assess at suppliersupport@proactisservicesdesk.com or call 1-866-889-8533.

Match your registration information exactly to your IRS W-9

Important Note: Your registration’s Organization Information **must** match your IRS W-9’s information **exactly** for approval by RI’s Supplier Coordinator (as referenced in step 8 below). The EIN must also match the Legal Name of Entity registered with the IRS. Any variations between the registration’s fields (vendor name and address) as compared to your W-9 related fields will cause delays in the approval review in the 2nd phase of your registration for approval. This will require you to perform corrective action. This includes abbreviations, spelling, or other.

b. Business Designations

- **Type of Business*** If you are a Medical Services Corporation or a Legal Services Corporation, please select the appropriate checkbox. If you are sole proprietor, partnership, or LLC, the checkboxes do not apply to your business type and should not be checked.
- **Parent/Holding Company or a Branch** If you are an individual or sole proprietor, select “Parent/Holding Company”. If you are a Branch, select “Branch” and you will be required to enter and confirm your DUNS number or nine-digit unique identifier. *(RI Supplier Coordinator cannot approve a Branch unless there is an account for the Parent/Holding Co. with the same EIN)*

c. State of Rhode Island Areas Served Select all that apply.

☐ **STEP 3: Contact Information** You will need to enter the Main Contact information for your organization and create login credentials. The main contact will be allowed to administer your organization’s account profile, add/manage users to your account, identify who will be allowed to receive notifications, and who is authorized to submit and commit solicitation responses on behalf of your organization.

- Main Phone Number*
- Email Address*
- UserName*
- Password* and Confirm Password*

Bidding With Your Vendor Account

Responding to Solicitations Utilizing Your Preferred Account

IMPORTANT – If responding to a solicitation, you must bid with the registration you want the potential award under. Award(s) may only be issued to the account the bid was submitted under. Requests to change a vendor registration account to a different account at any point during a solicitation's lifecycle may result in your solicitation response being deemed non-responsive. This includes using the correct account if your organization utilizes a headquarter/branch structure.

Do NOT create a new “Pending” registration.

Upon stating a new solicitation response, OSP will confirm the vendor account in use for that response. If this is not the correct account, please do not proceed under that registration for bidding. Instead, either see your organization's main contact for use of the preferred, existing registration and request the main contact add you as a user. If you are unsure of the contact or how to proceed, contact Proactis at 1-866-889-8533 or suppliersupport@proactisservicedesk.com.

Bid Notification Settings

Review your settings for **Bid Notifications** for automated email notices to be sent to the selected contacts on your account based on commodity codes selected.

- Login
- In the dropdown box by your name (top right corner) select **My Account**.
- In the left menu, click on **Edit Main Org Info**.
- Scroll down to the 2nd section, Bid Notification.
- Select the appropriate checkbox(s) for the contacts you want to designate to receive bid notifications

Note – Vendors are responsible for monitoring OSP for State of Rhode Island bidding opportunities.
