RECAP OF NEW CHANGES/UPDATES IN PROCESS FROM PRIOR FISCAL YEARS

- ETSS will not perform automatic closeout for any releases or Purchase Orders this year. **Agencies must reduce balances/close out Purchase Order balances in RIFANS prior to the 6/30/2025 migration date** or the encumbrance will transfer to the SFY26 budget (see above).

- No SFY26 account requisitions can be pre-submitted in RIFANS; the SFY26 budget is being loaded directly into Workday this year. **All SFY26 requisitions must be held for entry by agencies until Workday goes live on July 1, 2025.**
- Going forward, rollover Purchase Orders will no longer have a fiscal year suffix added to the Purchase Order number (i.e., PO Number 1234567FY25).
